Original / Romaji Lyrics	English Translation
kieru hikoukigumo bokutachi wa miokutta Mabushikute nigeta itsudatte yowakute ano hi kara kwarazu itsumademo kwarazu ni (irarenai) koto kuyashikute yubi wo hanasu	We watched the fading vapor trails They were so dazzling, I ran away- I was always weak I let go, frustrated by the fact That I couldn't stay unchanged since that day Couldn't stay unchanged forever
ano tori wa mada umaku tobenai kedo itsuka wa kaze wo (kiru) shiru todokanai basho ga mada tooku ni aru negai dake (himeru) (mitsumeru) ru	That bird still can't fly well But someday she will know the feeling of cutting through the wind The place she can't reach is still there in the distance She gazes at it, keeping her wish to herself
kodomotachi wa natsu no senro aruku fuku kaze ni suashi wo (sarasu) tooku ni wa (osanai) hibi wo ryoute ni wa tobidatsu kibou wo	Children walk along the summer railway tracks Exposing their bare feet to the blowing wind We place in the distance the days of our childhood We place in our hands hope that springs forth
kieru hikoukigumo (oikakeru) (oikakeru) kono oka wo koeta ano hi kara kwarazu itsumademo massugu ni bokutachi wa aru youni watatsumi no youna tsuyosa wo mamoreru yo kitto	Chasing, chasing the fading vapor trails It hasn't changed since the day we crossed that hill, and never will So that we will always have it, We'll guard the strength of a sea god, surely
ano sora wo mawaru fuusha no hanetachi wa itsumademo onaji yume miru todokanai basho wo zutto (mitsumeru) ru negai wo himeta tori no yume wo	The blades of the windmill that turn in the sky Always have the same dream The dream of a bird, her wish kept to herself, Gazing at the place she can't reach
furikaeru yaketa senro oou nyuudougumo katachi wo (kaeru) mo bokura wa (oboeru) (iru) douka kisetsu ga nokoshita kinou wo	I look back: the sun-baked railway tracks are hidden By stormclouds- even if they change their shape, May we always remember The yesterdays left behind by the seasons...

kieru hikoukigumo (oikakeru) (oikakeru)	Chasing, chasing the fading vapor trails
hayasugiru aizu futari(waraidasu)	The signal is given too early- we start laughing
ru itsumademo	So that we can always look straight ahead,
massugu ni manazashi wa aru youni	Even if it's slippery with sweat, I won't let go of your hand, ever
ase ga (nijimu) mo te wo hanasanai yo zutto	
kieru hikoukigumo bokutachi wa miokutta	We watched the fading vapor trails
Mabushikute nigeta itsudatte yowakute	They were so dazzling, I ran away- I was always weak
ano hi kara kawarazu	I let go, frustrated by the fact
itsumademo kawarazu ni (irarenai) koto	That I couldn't stay unchanged since that day
kuyashikute yubi wo hanasu	Couldn't stay unchanged forever
